

THINK SNOW !

Ride Right & Ride Safe

Check out Phil's trail condition report at:

From your President... Many thanks to Trail Boss Rob and the volunteers who have done a fantastic job getting the trails ready. Opening day brought smooth trails and heavy traffic and it was great to see all the snowmobiles in town. Unfortunately, Mother Nature is not cooperating with the much needed snow and cold weather. After this weekend, it looks like weather patterns are going to shift and bring better chances of white gold and cold. Hope to see many of you at the Frosty Club Party at Gateway Lodge on Tuesday, January 12th.

Trail Report

Trail system opened on Friday, January 1 at 8 AM. We can't express this enough; PLEASE be respectful of the trail system. Stay on the marked trail, without private landowners, our trail system would not be possible. Trail safety is our #1 priority so if you see any concerns that need to be addressed do not hesitate to contact any board member. Trail grooming has been suspended until we get some snow, hopefully soon!

Frosty Club Events

Unfortunately, many Frosty Club events have been cancelled or postponed but still have many events coming up such as the Radar Run, Club Rides, Trailside Parties, Snowmobile Scavenger Hunt, Candlelight Bowling, and the BIG Cash Raffle.

HELP NEEDED!

Volunteers are the backbone of making Frosty Club Events successful. Last year we had 20 Frosty Club volunteers for the Radar Run and this year we hope for more. Assistance needed in parking cars, registration, starting line, and selling chili. In addition, we are asking for people to donate chili – our goal is 20 gallons this year as we have sold out in the past. Join us Tuesday, February 2nd at 6 PM Black Oak Inn for an organizational meeting. If you can't make the meeting but are able to volunteer a couple hours for the Radar Run contact a board member.

Apparel

You can find frosty club apparel at: The Alley, Sunrise Lodge, Land O Lakes Rec and Gateway Lodge. We have beanies, pom-pom hats, ball caps, neck gaiters, and long sleeve T-shirts. Stop at any one of these businesses to pick up your apparel today!

New Snowmobile Parking Lot

Thanks to the Land O Lakes Town Board, we will have an area for out of town snowmobilers to park their trailers while enjoying Frosty Club trails. This area will be lighted and have direct trail access.

Membership

The Frosty Club currently has 235 members. Your financial and volunteer support is crucial in allowing the Club to maintain and groom the Top Trails at the Top of WI. Your \$40 membership (additional donations appreciated) will allow you to buy discounted trail passes for \$10.00. Go to <http://www.awsc.org> to order your discounted passes. It's never too late to join the Frosty Club.
