Good day Everyone! We are about a month into the 2019-2020 riding season and despite the up's and down's with weather, it is off to a great start. We owe our AMAZING Trail Boss, Rob Spiotto, a HUGE thank you for the countless hours that he has put in to making our Frosty Club trail system one of the finest. Way to go Rob and grooming crew for the up-keep of the Frosty Club trails.

We want everyone to know that we want to keep the trails safe for everyone so if a lake isn't marked please don't risk it. Stay on marked trails and follow precautions please. We want all to have a safe and fun riding year.

Our PB100 is continually costing us a minor fortune with all the replacement parts and countless hours put in to fixing the machine. With that being said, we are in the process of looking to update our equipment.

A BIG thank you to, Rick Kurtz, for tirelessly working on behalf of the Frosty Club to secure a donation from Land O Lakes Recreation of a new snowmobile. This should get our fundraising efforts off to a GREAT start for the upcoming year!

### Volunteers

Please consider giving us a piece of your Northwoods time! Volunteers are what help get our events done. If you are interested in volunteering even a couple hours please reach out to Phil at [mendham@newnorth.net](mailto:mendham@newnorth.net) with your availability.
