Hello Frosty Members!

It has been a crazy, busy summer with the COVID pandemic happening, cancellations of events... We look forward to a much better winter snowmobile season. The Frosty Club is planning a full plate of different events this winter. The Frosty Club is happy to announce that we had a record setting Burger/Brat fry on August 1. Thanks to the many dedicated volunteers that made this a HUGE success. We couldn't have done this without your help. Volunteers are the key to our success and as a club we appreciate all of your assistance. Don't worry we will be counting on you again this year.

From your President...

"I am pleased to announce that our club in 3 short years time has grown from roughly 100 members to over 300 and am looking to increase that number more. We truly appreciate all the volunteers that have made the Frosty Club events the most successful ever. Trail Boss, Rob and the groomer operators have done a fantastic job insuring the Frosty Club trails are groomed to perfection and remain 'The Top Trails at the Top of WI'. I would like to organize club rides, as many of us want to ride but would like some riding buddies. Tuesdays? Wednesdays or some nights? Looking for ride leaders!" Let me know your thoughts!

Membership

Just a quick reminder, remember to RENEW your membership because ALL memberships expired on June 30, 2020. Our Club is a nonprofit organization that relies on your financial and volunteer support. Remember we are a 501 3c organization and all your donations are tax deductible and greatly appreciated.

Maps

Queen Charlene has done a FABULOUS job with the map project for the season and the new maps will be out mid- October. If anyone is interested in helping distribute the maps, contact the Queen @ queen15charlene@gmail.com

Trail Report

We are excited for our first full season of grooming with our New Holland tractor and looking forward to using the brush hog while getting the trails ready for another awesome season. We will be announcing brushing dates soon and look forward to your assistance.

See you all at the next meeting on Monday, September 14 at the LOL Town Hall!
