

THINK COLD & SNOW!

Check out Phil's trail condition report at:

<http://snowtracks.com/reporter-areas/land-o-lakes-wisconsin/>

From your President... "65 degrees yesterday and a winter storm watch today. Life in the Northwoods. We are in NEED of some dry, cold weather before the snow flies as there is lots of water out in the woods. We are anxious to get the trails open but much work still needs to be done. Volunteers are the backbone of the club so please join us Saturday 8AM for our trail brushing event. Meet at the groomer barn. We are looking at a mid-December trail opening date (Mother Nature willing)."

Trail Report

Trail Boss Rob Spiotto reported that the PB200 and the New Holland tractor are ready for the upcoming season. Join us Saturday for trail brushing and see the new brush hog in action. Hope to see you there as many hands make the work go much faster. If you can't make it Saturday but would like to lend a hand another time contact Rob at ride2b1@hotmail.com

Maps & Signs

Charlene reports that the new Frosty Club maps are finished and will be distributed after Thanksgiving. Anyone wishing to assist in map delivery please contact Charlene at queen15charlene@gmail.com. New signage is ordered and being installed. If you see a missing sign or potential hazard on the trail, please contact a board member so we can continue to provide the safest trail system possible.

Frosty Club Events

Unfortunately, the Sunrise Lodge Snowmobile Benefit Breakfast scheduled for December 12th and 13th has been POSTPONED until March 13th and 14th. All other Frosty Club events below are still tentatively a go. Events will be reevaluated at the December 7th meeting. We have a couple of new events we would like to try this season including, trailside parties and a snowmobile scavenger hunt.

Apparel

New Frosty Club beanies, neck gaiters, and long sleeve T's will be available for your Christmas shopping.

New Snowmobile Parking Lot

Thanks to the Land O Lakes Town Board, we will have an area for out of town snowmobilers to park their trailers while enjoying Frosty Club trails. The lighted parking area will be located next to The Snowflake ice rink. This is going to be provided on a 1 year trial basis, so please be respectful so that this can be utilized for future seasons as well.

Membership

New this year—your Frosty Club and AWSC membership need to be renewed prior to ordering your trail passes. The Frosty Club currently has 175 members, a good start to our goal. Your financial and volunteer support is crucial in allowing the Club to maintain and groom the Top Trails at the Top of WI. Your membership will allow you to buy trail passes for only \$10.00. Go to <http://www.awsc.org> to order your discounted passes. Passes take between 10-21 days for delivery, so plan ahead!

Club Rides

The Frosty Club will be holding weekly Club rides when the trails open. Times and routes to be determined. If interested please contact Phil Mendham at mendham@newnorth.net
