

Hello Frosty Club Members,

It has been a busy month to say the least and it's only the beginning. Our AMAZING grooming crew rescued the dog "Daisy", the benefit breakfast was a HUGE success and Opening Day is just around the corner. Next event is our Snowmobile Safety Course Class (Monday, December 27th), and spots are almost full so quickly contact Sarah Outman @ sarah.lipa@gmail.com to see if you can get a spot reserved. Remember, the Frosty Club has a designated parking area by the Town Hall for out of town riders who wish to ride the Top Trails at the Top of WI.

**From President Phil...** "Frosty Club trails have passed final county inspection and ready for opening day. Opening day will be determined Monday by the Vilas County Alliance. The warm up is behind us and the forecast looks good so we are hoping for an opening on Tuesday or Wednesday. We will keep you posted. I am excited about the enthusiasm in snowmobiling and in the Frosty Club specifically, as membership is at an all time high. Fundraising efforts are going great and have allowed us to pay off an additional \$10,000 on the New Holland Tractor. It's been great to see so many members being in so active in helping us get the trails opened and offering assistance in any way we need help. We have a full slate of Frosty Club activities scheduled for the snow season and hope to see many of you there.

Remember to Ride Right and Ride Safe and let's make this season the best ever!

**Trail Boss Report**

Brushing and signing has been completed on the entire Frosty Club trail system. The Piston Bully and the New Holland tractor have been out panning the trails and they look like they are going to be in good shape for opening day. The Frosty Club has 8 groomer operators that will be working 7 days a week to keep the trails smooth and flat. Thank you club members for running to Lulich Implements so that Rob and crew could finish up last minute trail and equipment maintenance.

**Membership**

Happy to report we have 250 current members well on our way to our goal of 300- keep those memberships coming. Not only do we have an increase in membership, we have an increase in members actively participating in club activities. Don't forget to include your email address on your membership, so that you can get your AWSC number quicker than in the past. Many of you are sending in extra \$\$\$ with your membership and it is greatly appreciated. Remember the Frosty Club is a 501 (c)3 charitable organization and your donation is tax deductible. Purchasing a membership through the club allows us to maintain great trails and for you to purchase unlimited discounted trail passes at \$10.00 (\$30 for non-club members).
