FROSTY CLUB
NOVEMBER 2023

Welcome Snowmobilers!
OUR DONATION HELPS OUR TRAILS
www.FrostySnoClub.com

From President Phil... "Snowflakes are in the air, the Frosty tractor and brush hog are out working on the trails, signs are going up...this must mean that it's almost time to ride! None of this would happen if it wasn't for our awesome landowners, business sponsors, members, and lots of volunteers. I truly do thank you all.

People will be asking when can the trails open? The answer is after all of the deer hunting seasons are over and all 11 trail systems in Vilas County have been inspected. We also need some cold weather and then snow. Michigan trails can open December 1st, if Mother Nature cooperates.

We do need a little help from our members as we are looking for someone to step up to be the cash raffle coordinator. Tickets and posters are done—they just need to be distributed and monitored over the winter. I promise it will be an easy and fun job. We also need anyone available to come out to help put the finishing touches on the trails on Monday, November 27. Meet at the groomer barn at 8 am. Looking forward to a safe and snowy riding season!"

Membership

NOW is a great time to RENEW your Frosty Club membership. You can send in a paper membership form to PO Box 792, Land O Lakes, WI 54540, or you can go to frostysnoclub.com and renew your membership via paypal. Remember it takes time to get your trail passes, so DON'T DELAY, JOIN TODAY!

The cost of a membership is \$40.00 and with membership you receive many benefits such as the ability to purchase unlimited \$10.00 trail passes (versus \$30.00 non-club membership), membership in the AWSC, a subscription to the WI Snowmobile News magazine, meeting fellow riders and participating in meetings and events.

Trail Boss Report

"First and foremost, we have a new trail brushing date. We are now scheduled to meet at the Groomer Barn on **Monday, November 27th at 8 AM**. Please reach out to me at jfspiotto@gmail.com to let me know if the club can count on you to give us a helping hand.

We are running low on storage space in our groomer barn and potentially adding a third groomer to our fleet we need to explore options to expand our barn. There was a groomer we had our eye on so we went to take a look at it and after viewing we decided this is NOT the machine we are looking for; so we continue on our search to find the "perfect" machine for our club. Please be respectful of private property, STAY ON THE MARKED TRAIL, or STAY HOME".

Frosty Happenings

Without fundraising, the Frosty Club would not be able to buy the equipment needed to maintain The Top Trails at The Top of WI. We are excited for the upcoming events that we have planned for the season. **December Events** are: **Sunrise Benefit Breakfast** on Saturday December 16th and Sunday, December 17th, **Snowmobile Safety Course** on Wednesday, December 27th at the LOL Town Hall, and **Music Bingo** at the VFW on Friday, December 29th. **January Events** will include: the **Benefit Breakfast** at Pine Cone on January 13th, **Comedy Night** at the Gateway on January 14th and **Candlelight Bowling** at The Alley on January 27th. **February Events** will include the **3 bear sled dog race** on February 3rd and **The Bent's Camp Radar Run** on February 17th. The last event of the season is the **BIG \$\$ Raffle Drawing** on March 6th at The Alley.

Frosty Swag

Our online store will soon be launched, go to <http://www.frostysnoclub.com> to find the link and see what new and exciting apparel the Frosty Club has to offer. This store will be open for a LIMITED time, so get those orders in sooner rather than later. On top of the online store; when in the area be sure to make a stop at **The Gateway Lodge** as they will be the EXCLUSIVE storekeeper of three (3) different Frosty Club Signs, hats, sweatshirts etc

Maps & Signs

The new maps are now finished. Map boxes will be delivered to local businesses during the month of November. The new informational kiosk maps are finished and ready to be put out on the trail system. Many thanks to Bob and Anthony Spiotto for the completion of the kiosks (they look wonderful). When riding the trail system this season, be sure to look for them on busy trail intersections!
