A Message from the President...

"It has been a spectacular Fall with warm temps and awesome colors. The snow flurries that we spotted in the air yesterday were a clear reminder that WINTER is right around the corner. I would like to "Thank" our volunteers for pulling together to have a great 4th of July float and Brat/Burger fry.. I must also give a HUGE "Thank You" to our landowners, as without them we would not have a trail system to ride. Last year we finally got a chance to ride The Top Trails at The Top of Wisconsin. I am predicting a great snow season coming up!

Remember to sign up early for the Snowmobile Safety Class that we will hold on December 27th.

Look forward to seeing you at our opening season breakfast at Sunrise Lodge on December 13th and 14th.

Think Snow! Ride Right and Ride Safe!"

Trail Boss Report...

Trail Boss Rob Spiotto here... "Looking forward to working our groomers overtime this season. Bob, Silas, Anthony and I will be out with The New Holland Tractor and brush hog the next couple weeks cutting, brushing, re-decking bridges, and signing. We will have a final brushing date right after deer season. Look forward to seeing you there! We are moving forward with our groomer barn expansion project and are on the lookout for another tractor to update our grooming machines.

Looking forward to a safe season. **PLEASE** respect our landowners by staying on the marked trail, or **STAY HOME!**
